UPCYCLED ART SHOW & BENEFIT AUCTION

May 5, 2022
FR, Selah, WA

OVERVIEW & INVITATION

Yakima Valley Partners Habitat for Humanity cordially extends an open invitation to local artists and students to participate in its 5th annual Upcycled Art Show & Benefit Auction. We are seeking donations of artwork that will be sold at our event.

UPCYCLED CREATIONS

We are looking for unique works of art using recycled or repurposed materials. While our auction focuses on “upcycled,” recycled, or repurposed items; it is not a requirement.

STORE (Located at 21 West Mead Ave in Yakima)

The YVP Habitat for Humanity Store sells new and used home building materials and home goods at a fraction of retail price. Most of the items sold are donated by individuals, contractors, and businesses. Store profits are used to support our mission to build and provide affordable housing opportunities.

ARTIST ELIGIBILITY

The event is open to anyone who designs and produces a work of art. There is no fee to submit upcycled art pieces. However, pieces not sold will become the property of YVPH. Artists will be given a 25% discount to shop our Habitat Store for the full month of April 2022.
